Shipping Information:

All online orders will be shipped via UPS Ground from our warehouse in Moorhead, MN 56560.

For **expedited** shipping, please contact Jess at jess@macshardware.com or at (218) 233-4600 Mon-Fri 8:30am-5:00pm CT to receive a shipping quote.

Please note that we are unable to ship to PO Boxes.

Damaged Items:

We carefully package each order to ensure your items arrive safely. If an item should happen to arrive damaged, please contact us right away so we can file a claim with UPS and offer a replacement or refund for the damaged item.

Shipping Charges Explained:

After you add items to your online shopping cart, continue the checkout process by entering your shipping address to receive a shipping quote based on the weight of each individual item in your cart. There are no "ranges" or "scales" for shipping: each shipping quote will be unique to the products in your cart and the shipping address entered. That being said, the base charge to ship a few individual bottles is normally almost the same as the charge to ship four or five bottles, so we suggest customers order a minimum of four bottles per transaction, although this is not required.

Wholesale or Large Quantity Soda Orders

We do offer wholesale pricing on orders of 10+ cases of soda. Please email any inquiries to Jess at jess@macshardware.com in order to receive a current wholesale price list.

We also offer discounts on other large quantity soda orders for your wedding, birthday, or reunion: contact us at the email listed above or at (218) 233-4600 [ask for Jess] for more info!
